The Art of the Prompt

How to use this guide

These prompts are written to work well with Nano Banana, Gemini, and most modern AI image models. Replace the word “product” with your actual item (perfume bottle, headphones, sneakers, etc.).

Tip: Add material details (matte ceramic, brushed metal, glossy glass) and one lighting phrase for even better results.

Clean Packshots

Minimal product on pure white background, soft studio lighting, sharp focus, commercial packshot	Classic clean e-commerce style
Product centered on seamless light gray background, softbox lighting from the left, high detail	Neutral professional look
Floating product on pure black background, subtle rim light, premium isolated packshot	Luxury dark packshot
Product on marble surface, soft natural window light, elegant shadows, high-end commercial	Premium surface context
Top-down flat lay of product on clean surface, even soft lighting, organized composition	Flat lay style

Lifestyle & Context

Product placed in a modern minimal desk setup, soft morning light, lifestyle photography	Desk / work context
Product on wooden table with coffee cup nearby, warm natural light, cozy lifestyle feel	Warm lifestyle scene
Product in a bright modern kitchen, soft daylight, clean lifestyle product photo	Kitchen context
Product resting on linen fabric, soft diffused light, airy lifestyle aesthetic	Textile lifestyle
Product in a bathroom setting with soft ambient light, clean and fresh mood	Bathroom / beauty context

Dramatic & Premium

Product with dramatic side lighting, deep shadows, dark elegant background, cinematic product photo	High-end dramatic look
Product illuminated by single spotlight, black background, strong contrast, luxury advertising style	Spotlight hero shot
Product with soft violet and mint accent lighting, dark background, premium modern aesthetic	Brand-colored lighting
Close-up of product texture with selective focus, dramatic lighting, commercial detail shot	Texture hero close-up

Product with volumetric light rays, dark moody atmosphere, cinematic commercial photography	Atmospheric premium

Creative Angles

Low angle product shot looking up, dramatic perspective, soft studio lighting	Powerful low angle
45-degree angle product photography, soft directional light, clean commercial composition	Classic 45° commercial
Extreme close-up of product details, macro style, soft lighting, sharp texture	Macro detail shot
Product slightly tilted, dynamic composition, elegant lighting, modern advertising style	Dynamic tilt
Overhead 90-degree product shot, symmetrical composition, soft even lighting	Perfect overhead

Special Techniques

Product with water droplets and soft reflections, clean lighting, fresh commercial look	Water / freshness effect
Product with subtle smoke or steam, dramatic backlighting, atmospheric product photo	Smoke / steam drama
Product floating in mid-air with soft shadows below, clean studio lighting, modern ad style	Floating product
Product with colored gel lighting (soft violet), dark background, creative commercial photo	Gel / creative color
Product reflected on glossy black surface, elegant lighting, luxury advertising photography	Mirror reflection
Product with bokeh background lights, shallow depth of field, premium lifestyle commercial	Bokeh lifestyle
Product emerging from soft fog, cinematic lighting, mysterious premium mood	Fog / mystery
Exploded view style product components floating, clean studio lighting, technical commercial	Exploded / tech view
Product with long exposure light trails around it, dark background, creative advertising	Light painting
Product in geometric hard light patterns, modern artistic commercial photography	Hard light geometry
